- **Height** 62"

Effective Chamber Dimensions

- **Width** 26-1/2"
- **Length** 51-1/4"
- **Height** 41-1/2"

Like all Aqua Phase models, in order to operate the machine once the unit is located, all you need to do is hook up two hoses — one for the hot water fill and one for the drain, connect the Aqua Phase to an appropriate power source and begin saving time, improving efficiency and enhancing your infection control protocol.
